

Mr. Speaker, I rise today to congratulate Justina Borba for earning a 2001 Common Threads Award. She has shown outstanding involvement, not only in agriculture, but also in strengthening her community. I urge my colleagues to join me in wishing Ms. Borba a bright future and continued success.

**HONORING THE CHURCH OF OUR  
LADY OF THE DIVINE SHEPHERD  
IN TRENTON, NEW JERSEY ON  
THEIR 60TH ANNIVERSARY CELEBRATION**

**HON. CHRISTOPHER H. SMITH**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 1, 2001*

Mr. SMITH of New Jersey. Mr. Speaker, I rise today to honor Our Lady of the Divine Shepherd Roman Catholic Church in Trenton, New Jersey, as they celebrate their 60th Anniversary.

In 1941, 60 years ago, in response to a petition by the African-American community, The Most Reverend William A. Griffin, Bishop of Trenton, established Our Lady of the Divine Shepherd Church to accommodate the spiritual needs of a local Trenton community who sought solace and guidance in their Roman Catholic Faith and black heritage.

This new Parish had its beginnings in the former Masonic Temple on Pennington Avenue, where it remains today. On June 14, 1941, Bishop Griffin blessed the new Church and officiated the first Mass. Since its beginning, the Society of the Divine Word has staffed Our Lady of the Divine Shepherd Church. The Society of the Divine Word has the great distinction of being the first congregation to create seminary opportunities for black men. At present, there are about 6,000 members in the Society of the Divine Word working in 62 countries around the world.

One of the hallmarks of this vigorous religious family is its international character and multi-cultural congregation. Teams of missionaries are made up of members from many different nations and cultures working together for the Kingdom of God as a concrete sign for our divided world that such cooperation is both possible and desirable.

Mr. Speaker, for 60 years, Our Lady of the Divine Shepherd has faithfully served its parishioners, ministering and providing services to the community. I ask all of my colleagues to join with me in congratulating Our Lady of the Divine Shepherd and to thank them for all of their contributions to the rich heritage and culture of Trenton, the Capital city of New Jersey.

**HONORING ST. GEORGE SERBIAN  
ORTHODOX CHURCH**

**HON. BARBARA LEE**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 1, 2001*

Ms. LEE. Mr. Speaker, I rise today to honor and celebrate the 75th Anniversary of the St.

George Serbian Orthodox Church in Oakland, California.

During World War I, many Europeans, including Serbians, faced the unspeakable horrors of war. Some were fortunate to escape a world of intolerance and hatred. It isn't surprising that many Serbians came to the United States, a symbol of hope and freedom, in search of a better life and future for themselves and their children.

New to the San Francisco Bay Area, Serbian men and women valued a strong sense of community and continued and maintain the Orthodox faith, Serbian language and culture. They affiliated themselves with the central office in Sarajevo, Bosnia, and their constant communication enabled them to maintain a connection to their homeland.

The leaders of Oakland's Serbian community understood the need to retain cultural traditions and Serbia's history as a nation, particularly since many young Serbian children were immersed in popular American culture. In an effort to preserve and pass on the rich Serbian culture and history to future generations, a local school was established for Serbians. This school was named the Serbian Society of Education in Oakland.

On February 29, 1924, the Society sought to purchase a piece of church property in order to realize their mission to retain and further cultivate their orthodoxy. This church was named the St. George Serbian Orthodox Church.

For over seventy-five years, St. George has been the home for Serbian families, immigrants and refugees. The Church and its members also formed the Saint George Athletic Club, Women's Auxiliary and St. George's Church Choir. These groups are regarded for their contributions to social campaigns and political activism.

The St. George Serbian Orthodox Church encourages and nurtures love and peace among its members and instills a strong sense of family in our community. Today I stand with Oakland's Serbian community as we celebrate 75 years of service to the community by St. George Serbian Orthodox Church. We honor their rich history and strong faith and trust in God. May St. George continue to kindly lead its members in the spirit of peace, love and equality.

**IN HONOR OF THE CHILDREN'S  
DISCOVERY MUSEUM**

**HON. MICHAEL M. HONDA**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 1, 2001*

Mr. HONDA. Mr. Speaker, I rise today to honor the Children's Discovery Museum of San Jose for being awarded the 2001 National Award for Museum Service, as announced in Washington DC on Monday, September 17, 2001.

The Institute of Museum and Library Services, a Federal agency, annually presents the National Awards for Museum and Library Services, honoring three museums and three libraries that demonstrate extraordinary service to their communities. Recipients have inno-

vative approaches to public programming, reaching beyond the expected levels of community outreach and traditional services. These awards are presented by the First Lady to demonstrate the level at which these institutions are enriching lives and connecting people to one another and to the world.

In receiving this award, the Children's Discovery Museum of San Jose joins just 21 museums in the Nation which have been bestowed this honor since its inception in 1994. The Children's Discovery Museum is the only museum in California to receive this prestigious award, clearly demonstrating San Jose's leadership in creating cultural resources that truly enrich the learning and lives of its children, families and schools.

This award establishes San Jose's beloved "purple" museum for children as a premier institution in the Nation and as a leader in the museum and library service fields. It honors the community of San Jose, which deeply cherishes and supports the Museum's services, and inspires the dedicated and talented Museum staff to continue their work in creating bright futures for the children of San Jose.

**JOB WELL DONE**

**HON. ROBERT T. MATSUI**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 1, 2001*

Mr. MATSUI. Mr. Speaker, I rise today to express my sincere appreciation for the tremendous job that the Chairman of the Energy and Water Appropriations Subcommittee Representative SONNY CALLAHAN and Ranking Member, Representative PETER VISCLOSKEY, and the conferees have done in preparing the FY 2001 Energy and Water Appropriations Conference Report. Congress is certainly no stranger to the constant public safety threat that potential floods pose to my constituents and I am most thankful for the continued support of this body in helping to greatly reduce these risks. Thanks to your efforts and the efforts of this Committee, Sacramento remains on track with providing improved flood protection.

Sacramento's immediate flood risk consistently ranks highest among major metropolitan areas in this nation. A catastrophic flood in Sacramento would impact \$40 billion of property, including the California State Capitol, six major hospitals, 26 nursing home facilities, over 100 schools, 3 major freeway systems, and approximately 160,000 homes or apartments. As Congress continues to determine the best long-term solution, I remain grateful that this year's conference report is consistent with capability estimates developed by the Army Corps of Engineers and the Sacramento Area Flood Control Agency.

While this legislation provides continued funding for a number of crucial flood protection projects, I am particularly grateful for the inclusion of construction funds for the South Sacramento Streams Project. This "new start" is of vital importance as the 100,000 people and 41,000 structures that reside in this area are extremely susceptible to devastating floods.
